

Melbourne Runabout & Speedboat Club

ACN No. 004 432 777

Melton Reservoir is the home of the Melbourne Runabout and Speedboat Club (MRSBC) located only 32 km west of Melbourne. The MRSBC was established in 1957 to provide the boating community of Melbourne with a safe and friendly venue for recreational boating activities including boat racing.

Club's Motto:

Provide a safe, sustainable and enjoyable environment that like minded boating enthusiasts can enjoy within Melton Shire.

The prestigious **Melton Gold Cup** is arguably Australia's biggest boat racing event. Held over 3 days including the first Sunday in February. The Gold Cup attracts competitors from five Australian states and thousands of spectators to the MRSBC site to take part in this 'on water' spectacular. Speeds in excess of 200 kph, supercharged engines roaring and a competitive fire between drivers's pushes the boundaries of 'crazy'. The club also hosts other races during the year. See the web site for details.
